

**N.Y.S. Association of Transportation Engineers—Section 4
10th Biennial Mini-Conference**

Schedule:
 8:00 - 8:30 Registration
 8:30 - 9:30 Keynote Speaker
 9:45 - noon Speakers and Exhibition Booths
 noon - 1:10 Lunch Buffet and
 Transportation Professional of the Year Award
 1:15 - 4:30 Speakers and Exhibition Booths
 4:30 - 6:00 Reception

Tentative Technical Topics:

- Update on Federal Highway Bill (Opening Session)
- City of Rochester Downtown Circulator Study
- Access 390 Interchange
- Lake Champlain Bridge Erection
- City of Rochester Roundabout (Broad / Court / Broadway / Manhattan Square Park)
- The I-81 Challenge—I-81 in Syracuse physical conditions analysis
- Portageville Railroad Viaduct at Letchworth Park

Smart Transportation in Today's Environment, this year's conference theme, offers conference attendees the opportunity to learn about other transportation projects, talk with others in the transportation engineering field, get PDH credits and network with vendors. Meet the Transportation Professional of the Year at the luncheon and relax at the reception afterwards.

This year's keynote speaker is Rich Perrin , Executive Director of the Genesee Transportation Council (GTC). He will speak on the timely subject of the Federal Highway Bill and its likely effect on the Greater Rochester area.

**WEDNESDAY, OCT 12th - 8:00am - 6:00pm
 BURGUNDY BASIN INN
 Marsh Road, Pittsford, New York**

- Please complete one registration form for each registrant.
- NYSDOT attendees may use Professional Leave for this day, pending approval of their direct supervisor.
- Reimbursement for DOT employees / PEF members is available for registration fees and PDH fees. See http://www/goer.state.ny.us/Training_Development/PEF/tuition
- Questions can be referred to Conference Chair, Dan Schwind, at (585) 272.3368.
